

Red Rock Resorts Announces First Quarter 2020 Results

LAS VEGAS, May 19, 2020 /PRNewswire/ -- Red Rock Resorts, Inc. ("Red Rock Resorts," "we" or the "Company") (NASDAQ: RRR) today reported financial results for the first quarter ended March 31, 2020.

Impact of COVID-19 Pandemic

The unprecedented challenges presented by the COVID-19 pandemic have significantly impacted the Company's business operations. While Las Vegas operations, excluding Palms, recorded their best operating performance in January and February since 2008, the circumstances abruptly changed in mid-March due to the COVID-19 pandemic.

On March 17, 2020, the Company announced the temporary shutdown of all its Las Vegas properties, consistent with the statewide directive issued by the Governor of Nevada due to the COVID-19 pandemic. In addition, on March 17, 2020, the Graton Resort & Casino ("Graton Resort") in northern California, which is managed by the Company, temporarily closed as a result of the COVID-19 pandemic. Those properties also remain closed as of today.

On May 1, 2020, the Company announced a phased reopening program with respect to its Las Vegas properties. Pursuant to that program, the Company expects to reopen its Red Rock, Green Valley Ranch, Santa Fe Station, Boulder Station, Palace Station and Sunset Station properties, together with its Wildfire properties, when permitted to do so by governmental authorities. Also pursuant to that program, the Company will assess the performance of the first-to-reopen properties before reopening its Palms, Texas Station, Fiesta Henderson and Fiesta Rancho properties.

First Quarter Results:

Net revenues were \$377.4 million for the first quarter of 2020, a decrease of 15.6%, or \$69.6 million, from \$447.0 million for the same period of 2019, due to the temporary closure of all of the Company's properties, as explained above.

Net loss was \$177.8 million for the first quarter of 2020, a decrease of \$198.1 million, from a net income of \$20.3 million for the same period of 2019, due to the temporary closure of all of the Company's properties, as explained above, plus a noncash charge of \$113.2 million related to the establishment of a full valuation allowance on certain tax assets.

Adjusted EBITDA⁽¹⁾ was \$74.3 million for the first quarter of 2020, a decrease of 48.8%, or \$70.8 million, from \$145.1 million in the same period of 2019, primarily due to the temporary closure of all of the Company's properties, as explained above. That amount also includes the impact of \$27 million of expense accrued within the quarter related to the Company's commitment to provide regular wages and benefits to all of its full-time team members for the period from April 1 to April 30, 2020, which was offset in part by the receivable recorded from the CARES Act employee retention credit of \$20 million.

Las Vegas Operations

Net revenues from Las Vegas operations were \$356.5 million for the first quarter of 2020, a decrease of 15.6%, or \$65.9 million, from \$422.4 million in the same period of 2019, due to the temporary closure of all of the Company's Las Vegas properties, as explained above.

Adjusted EBITDA from Las Vegas operations was \$68.5 million for the first quarter of 2020, a decrease of 49.2%, or \$66.3 million, from \$134.8 million in the same period of 2019, primarily due to the temporary closure of all of the Company's Las Vegas properties, as explained above. That amount also includes the impact of the wage and benefit accrual referred to above, offset in part by the CARES Act receivable referred to above.

Native American Management

Adjusted EBITDA from Native American operations was \$17.6 million for the first quarter of 2020, a 18.0% decrease from \$21.5 million in the same period of 2019, due to the temporary closure of Graton Resort.

Balance Sheet Highlights

The Company's cash and cash equivalents at March 31, 2020 were \$1.091 billion and total principal amount of debt outstanding at the end of the first quarter was \$4.052 billion. As defined in the Company's credit agreement, its debt to Adjusted EBITDA and interest coverage ratios on a covenant basis at March 31, 2020 were 4.16x and 6.36x, respectively.

Quarterly Dividend

The Company's Board of Directors has suspended the quarterly dividend for the remainder of 2020.

Presentation of Financial Information

(1) Adjusted EBITDA is a non-GAAP measure that is presented solely as a supplemental disclosure. We believe that Adjusted EBITDA is a widely used measure of operating performance in our industry and is a principal basis for valuation of gaming companies. We believe that in addition to net income, Adjusted EBITDA is a useful financial performance measurement for assessing our operating performance because it provides information about the performance of our ongoing core operations excluding non-cash expenses, financing costs, and other non-operational or non-recurring items. Adjusted EBITDA includes net (loss) income plus depreciation and amortization, share-based compensation, write-downs and other charges, net (including net losses on asset disposals, redevelopment and preopening expenses, severance, business innovation and technology enhancements), interest expense, net, loss on extinguishment/modification of debt, net, change in fair value of derivative instruments, provision for income tax and other.
